

Medical Student Oath

College of Medicine
University of Arkansas for Medical Sciences

In order to contribute to a spirit of moral and intellectual development; affirming that honor, integrity, and compassion are my highest ideals; and endeavoring to create a community of sensitivity and commitment, I (name of student), pledge to my future patients, my colleagues and my mentors the following:

That in all instances I shall maintain a state of sensitivity and compassion; realizing always that my greatest commitment is to my patients. I will henceforth preserve the confidentiality of my patients, and I will render to them the highest possible standard of care. In short, I will conduct myself with unquestionable integrity in all of my professional relations.

Realizing the power of cooperation, and the common bond between practitioners of the healing arts, I will respect the contributions of my brothers and sisters in medicine, pharmacy, nursing, and in the health related professions. I will in no way breach this bond of respect, and I will strive to realize our collective commitment to heal and comfort the poor of body and spirit.

I will honor the rich tradition embodied in learning the art and the science of medicine. I will always seek to learn from the knowledge, wisdom, and experience of my mentors. May I never forget that medical education is a privilege bestowed on me by those who have entrusted their well-being and the well-being of others to me. Further, let me never forget that it is my responsibility to learn the science and the art of medicine; and that my learning within the noble profession of medicine is a lifelong process. May I be worthy of this trust and may I always remember that henceforth I must put others before myself.

I affirm this day before my future colleagues in medicine that I, (name of student), will be true to this pledge.
