GME Statistics

- 57 ACGME-accredited programs
- 640 COM residents (not including UAMS Regional Programs)
- UAMS, ACH, and CAVHS comprise the majority of resident/fellow clinical experience
- Some residents rotate at St. Vincent’s, Baptist, Arkansas State Hospital, and other healthcare centers
Professional behavior by faculty can prevent legal issues

- All faculty are expected to teach residents using respect and constructive criticism (no exceptions)
- All faculty are expected to model professional behavior
- There are always ongoing legal ramifications resulting from faculty-resident interactions.
  - Examples: interviews, unprofessional encounters
Consult with program director about:

- Directing residents to a different location than the one to which they are assigned (CMS pay issue)
- Vacation approval/disapproval
- Any resident struggling or not progressing as expected
