**2021 Arkansas Fetal Alcohol
Spectrum Disorders Conference**

**Thursday, September 9
8:30 a.m. – 4:30 p.m.**

Save the date for **Arkansas' 7th Conference on Fetal Alcohol Spectrum Disorders** - Thursday, September 9, hosted by Arkansas None for Nine. Fetal Alcohol Spectrum Disorders are the most common cause of preventable developmental disabilities. This event will bring together parents, prevention advocates, key stakeholders, and health care professionals from around the state for an exciting day of learning and networking.

Our keynote speakers for the conference will be Donald 'Craig' Peterson and his two sons, Michael and Andrew. [Visit this link to learn about their story.](#)

Attendee and Vendor registration information coming soon.

Date: Thursday, September 9

Time: 8:30 a.m. – 4:30 p.m.

Two ways to attend:

In-Person at Pulaski Technical College

North Little Rock, AR

Grand Halls A & B *

Or Virtual

*In-Person attendance is limited due to physical distancing. In the event of venue restrictions, the conference may pivot to virtual only. *

Make plans to attend to learn more about supporting individuals with FASDs and their families.
