

PharmTox Weekly Buzz

(A publication of the UAMS Department of Pharmacology and Toxicology)

Week of June 14-18, 2021

We Have a New Name!

Congratulations to education specialist Cheryl Shelton, who suggested the new name for our newsletter! *PharmTox Weekly Buzz* will replace *PharmTox Fights Covid-19* and will continue to bring you news, information and accolades from the department. Thank you to everyone who sent in their suggestions and we hope everyone will enjoy *The Buzz* into the future.

Dr. Michael Berquist is Married

Congratulations to assistant professor Michael Berquist, who was married on Saturday, May 29th. Dr. Berquist and his bride, Savanna, were married in Benton at St. John's Chapel by the Creek. Following their nuptials, they traveled to Marco Island, Florida for their honeymoon. Best wishes for a wonderful life together, Michael and Savanna!

Sharon Farris Celebrates 20 Years at UAMS

Program specialist Sharon Farris celebrated her 20-year anniversary with UAMS on June 11th! Sharon began her career at UAMS in 2001 as a Child Enrichment Specialist in the Department of Pediatrics. In 2006, she accepted a position as Administrative Analyst/Administrative Specialist with the Department of Pharmaceutical Sciences in the College of Pharmacy, then moved to Epidemiology in the College of Public Health as an Administrative Specialist in 2013. Sharon returned to the College of Medicine in 2016 when she joined the Department of Pharmacology and Toxicology. Congratulations Sharon on 20 years!
