

Body Imaging Faculty Position

The Body Imaging Division of the Department of Radiology in the College of Medicine at the University of Arkansas for Medical Sciences (UAMS) in Little Rock, AR is seeking a full-time a faculty member. Faculty candidates must hold an M.D. or equivalent degree, be either BE/BC by the ABR and have medical licensure or eligibility in Arkansas. The ideal candidate will have a service-oriented, practice-building approach. We provide comprehensive outpatient and inpatient care in conjunction with appropriate consultants and specialists for the diagnosis of a broad spectrum of diseases.

UAMS Medical Center is a 514-bed tertiary care center and the Division of Body Imaging is responsible for interpretation of studies that include general radiology (plain films and fluoroscopy), body CT, body MRI, ultrasound and MSK. In addition to body imaging, the Department of Radiology faculty offer expertise across key Divisions including Breast, Interventional Neuroradiology, Interventional Radiology, Nuclear Medicine, Neuroradiology, Radiology Sciences and Pediatric Radiology. Our mission is to provide high quality patient care while training the next generation of diagnostic radiologists.

UAMS is an Affirmative Action and Equal Opportunity Employer of individuals with disabilities and protected veterans.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute and Institute for Digital Health & Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise including its hospital, regional clinics and clinics it operates or staffs in cooperation with other providers. UAMS is the only adult Level 1 trauma center in the state. *U.S. News & World Report* named UAMS Medical Center the state's Best Hospital; ranked its ear, nose and throat program among the top 50 nationwide; and named six areas as high performing — cancer, colon cancer surgery, heart failure, hip replacement, knee replacement and lung cancer surgery. UAMS has 2,727 students, 870 medical residents and five dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
