Emergency Radiologist (Evening & Overnight)

Assistant Professor | Academic Faculty Position
University of Arkansas for Medical Sciences (UAMS)
Little Rock, Arkansas

Join Our Growing Emergency Radiology Team

The Emergency Radiology Division within the Department of Radiology at the University of Arkansas for Medical Sciences (UAMS) is seeking full-time, on-site faculty to join our dynamic, collegial, and growing academic Emergency Radiology section in Little Rock, Arkansas.

This is an excellent opportunity for a radiologist seeking a rewarding academic career that combines clinical excellence, resident education, professional growth, and an attractive work schedule.

Choose the Schedule That Fits You

We are recruiting for both evening and overnight coverage:
Evening Shift

- 2:00 p.m. – 11:00 p.m.
- 7 days on / 7 days off

Overnight Shift

- 10:00 p.m. – 7:00 a.m.
- 7 days on / 14 days off

Why Join UAMS Emergency Radiology?

Faculty enjoy:

- Arkansas's only academic Comprehensive Stroke and Level I Trauma Center
- High-volume practice with diverse and complex pathology
- State-of-the-art imaging equipment and technology
- Collaborative, multidisciplinary practice environment
- Strong support from faculty and staff
- Collegial academic culture
- Exceptional moonlighting opportunities
- Academic time to pursue educational and research interests
- Opportunities for leadership and career advancement
- Attractive quality of life in Little Rock, Arkansas

Position Overview

We are seeking board-certified or board-eligible radiologists through the American Board of Radiology (ABR) with fellowship training or strong expertise in diagnostic radiology.

The ideal candidate will be service-oriented and collaborative, with a strong commitment to patient-centered care, clinical excellence, education, and continued growth of the Emergency Radiology practice.

Clinical & Academic Responsibilities

The successful candidate will:

- Interpret emergency and trauma cross-sectional imaging across a statewide referral network
- Interpret radiographs and fluoroscopic examinations
- Provide expertise in emergency imaging, including CT, CTA, CT Perfusion, and acute neuroimaging
- Teach and provide didactic education to Diagnostic Radiology residents
- Participate in medical student and resident education
- Engage in mentorship and scholarly activities
- Contribute to the continued growth and development of Emergency Radiology services
- Participate in departmental and institutional initiatives

UAMS is strongly committed to education and physician training, providing faculty with opportunities for academic advancement, mentorship, research, innovation, and leadership development.

Qualifications

Candidates must:

- Hold an M.D., D.O., or equivalent medical degree
- Be Board Certified or Board Eligible through the American Board of Radiology (ABR)
- Have completed an ACGME-accredited Diagnostic Radiology residency
- Be eligible for Arkansas medical licensure
- Demonstrate proficiency in emergency imaging, including CT, CTA, CT Perfusion, and acute neuroimaging
- Possess strong interpersonal and collaborative skills
- Demonstrate a commitment to patient-centered care, education, and academic growth

About the Department of Radiology
