\_\_\_\_\_

What type of Primary Care Medicine would you plan to practice full time in this community?  
(Primary Care for purposes of this program is defined as: Family Medicine, General Internal  
Medicine, General Internal Medicine and Pediatrics, General Pediatrics, General Obstetrics and  
Gynecology, General Surgery, Geriatrics and Emergency Medicine)

---

To be eligible, you must have graduated from an accredited medical school located in the United States OR you were an Arkansas resident BEFORE you entered an international medical school. List the medical school you attended **and** graduation date:

---

To be eligible, you must currently be in a residency training program or have completed a residency training program no more than two years prior to the date of application. List your residency training program(s) and date of completion or expected completion:

Will you or have you received any other funding from another state, federal, or scholarship program for practicing in this rural community? If yes, what program and what was the amount? (This includes any other service connected scholarships/loans/grants)

---

---

Do you have any other obligations or commitments that would prevent you from completing four years of service in this rural community?

---

What considerations led to your decision to practice primary care medicine in this rural community? Have you ever lived in this community or another rural community in Arkansas?

---

---

---

To what extent have you been exposed to and/or involved in the practice of medicine in a rural setting?

---

---

---

---

**CERTIFICATION AND SIGNATURE:**

I understand that the information submitted by me on this application will be used to assist the Arkansas Rural Medical Practice Student Loan and Scholarship Board in determining my eligibility for the Community Match Loan and Rural Physician Recruitment Program. I also understand that the number of accepted applicants is also based on the amount of available funds.
