

Go to My Desk... <https://mydesk.uams.edu> (from anywhere – on campus or off)

Login using your UAMS credentials

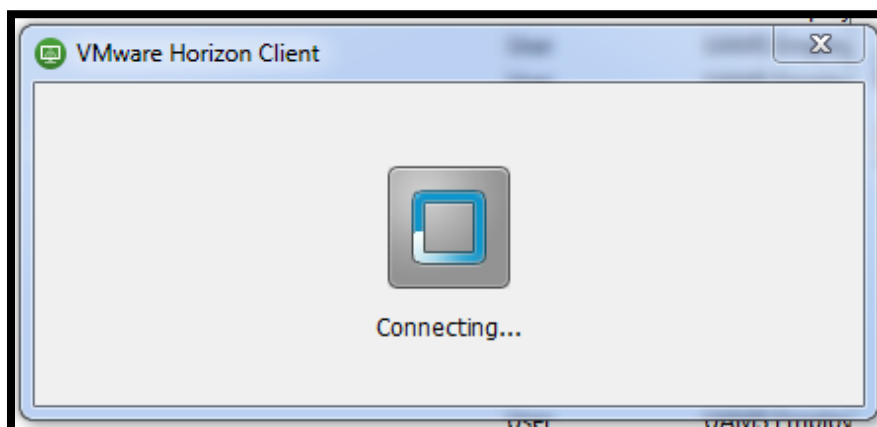

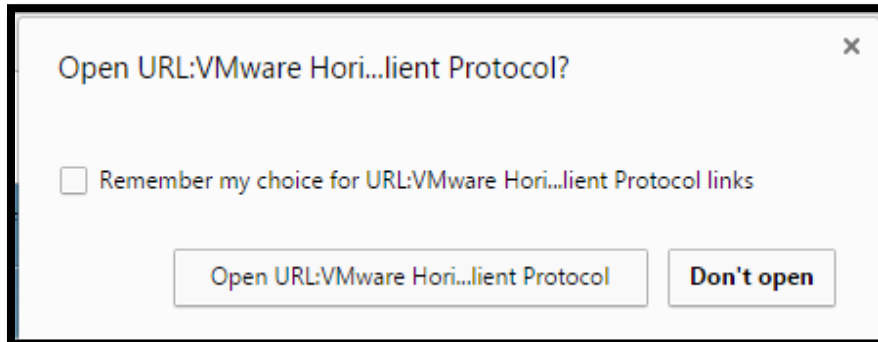

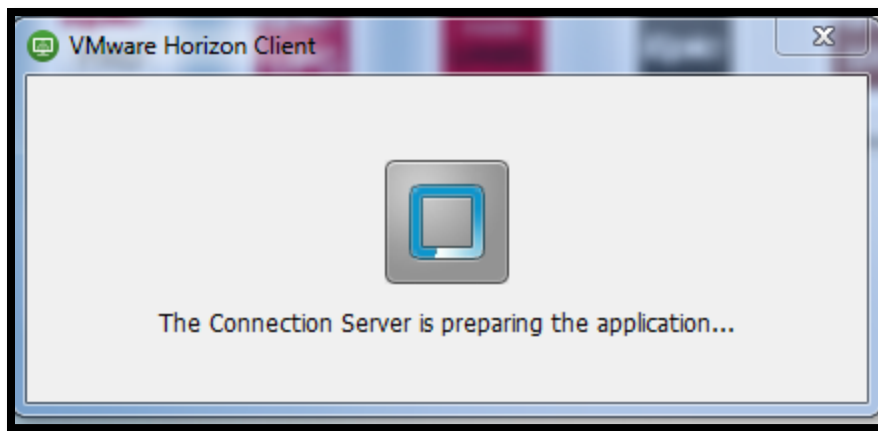

The image shows a login form for UAMS. At the top is the UAMS logo. Below it are two input fields: "username" and "password". Under the password field is the text "ad.uams.edu". A green "Sign in" button is centered below the fields. Below the button are two links: "Forgot password?" and "Change to a different domain". At the bottom is the VMware logo.

A list of applications you have access to will be shown, Click on the My Compass icon

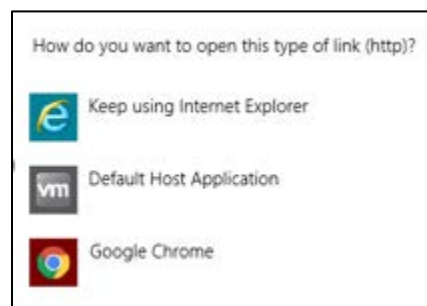

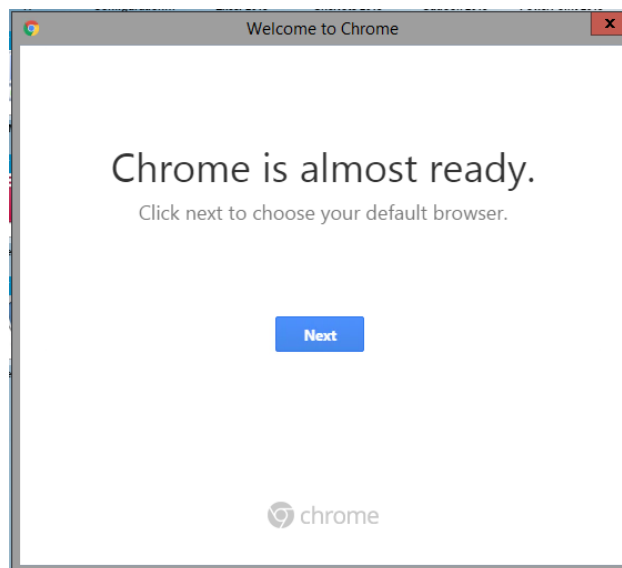

If you have not previously accessed My Desk, a small client will install. When it does, please select: "Open with VMware..."

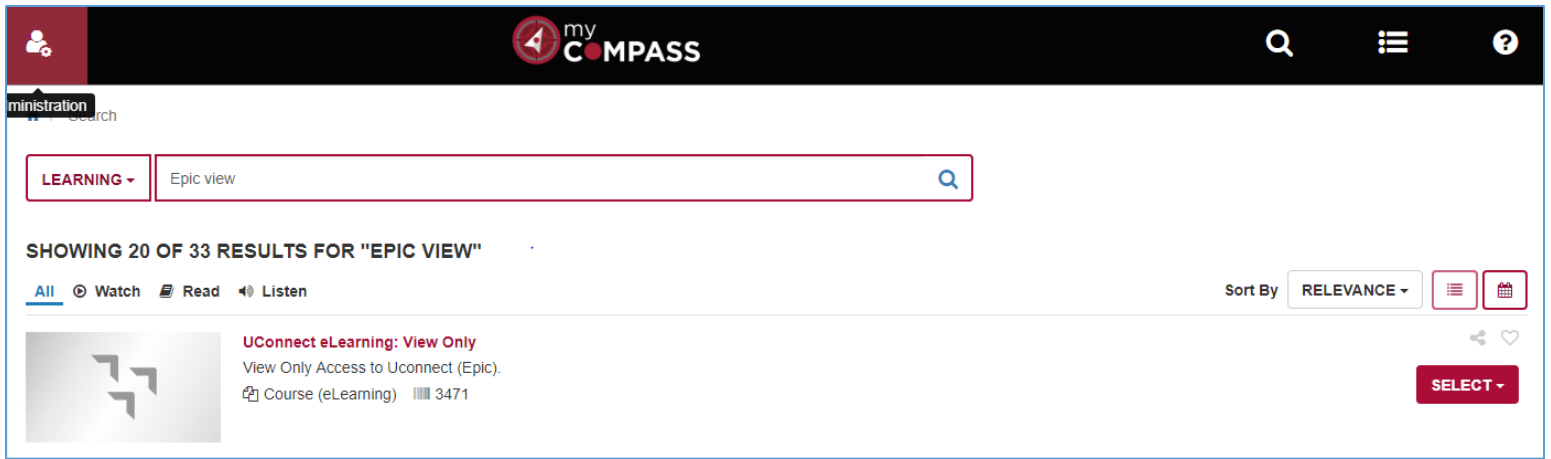

If asked to select your default My Desk browser, please click next to use Chrome and My Desk should then open.

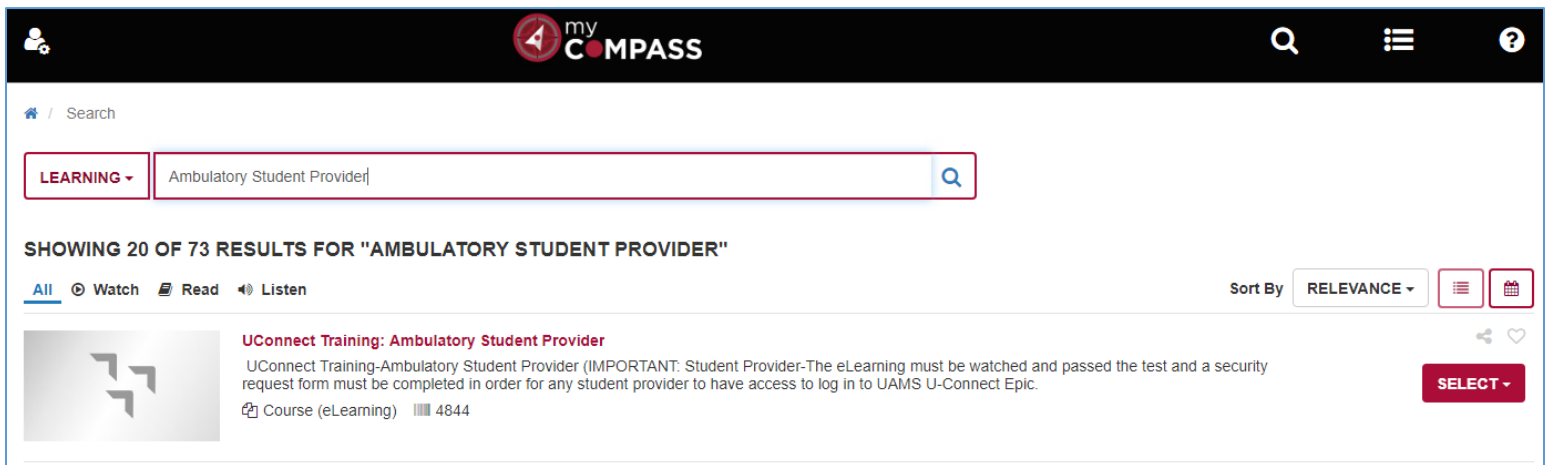

You can then search for required training, by using the magnifying glass and entering key words, like: "Epic View"
