

PRE-MATRICULATION REQUIREMENTS

The following course requirements must be met prior to matriculation. Please list the classes you have completed to fulfill these requirements. If you are planning to take any of these courses this fall, next spring, or summer, please indicate that information below. Advanced Placement (AP) credit may be used to satisfy pre-matriculation course requirements provided the AP credit is posted on your final transcript. One AP credit will be the equivalent of one semester of coursework. If your school is on the quarter system, only list the second and third quarter of the three-quarter sequence to satisfy two semesters (6-credit hours). List two quarters if only one semester is required (3-credit hours).
