

2025 SiS Application

The Summer in Surgery (SiS) program will take place June 2-27, 2025 at UAMS. The Department of Surgery invites applications for students completing the M1 year to spend four weeks learning more about the practice of academic surgery, including the opportunity to collaborate and/or develop clinical or educational research projects. Participants will be selected based on the application.

This is an educational experience; no stipend is provided.

Applications are due Friday February 28, 2025 and should be emailed to Stephen "Ryan" Tyler styler@uams.edu . Late applications will not be accepted.

Please direct any inquiries to Dr. Katie Kimbrough (MKKimbrough@uams.edu)

Directions:

Please attach a recent, high-quality photo of yourself to the application.

Please feel free to be as brief or as descriptive as you like when answering the questions below.

Incomplete applications will not be considered.

Name _____ Student ID number _____
Email _____ SSN _____
Mobile Number _____

Please provide the following:

- Undergraduate Training/Degree
- Graduate or Advanced Training/Degree (if applicable)
- Previous Research Experience (if applicable)
- Previous Work Experience (if applicable)
- Previous Surgery Shadowing Experience (if applicable)
- Previous Shadowing Experience (other specialties, if applicable)
- MCAT scores
- Grade for Anatomy module (numerical grade and letter grade, if known)
- Grade for Molecules to Cells module (numerical grade and letter grade, if known)

Have you been selected to participate in the UAMS Research Honors Program? Yes / No / Unknown

If you had to decide today, what specialty choice would you pick (list one only!) and why would you pick this specialty?

Why do you want to participate in the Summer in Surgery program and what do you hope to gain?
