Play nice in the sandbox. If the space is already in use, please do not ask others to move.		*24/7 when not being utilized for scheduled classes or formal meetings

UAMS Northwest promotes interprofessional relationships amongst students and faculty. All classrooms, lounge spaces, and conference rooms are accessible to all UAMS Northwest students when not in use by an academic program or administration for educational and business purposes. To check the availability of a room, use this link or the QR code: 25live.collegenet.com/pro/uams#!/home/search/location/availability/202710. Students are unable to book a room in 25live but can work with their academic program administrators to reserve. Please leave spaces better than you found them and play nice in the sandbox.
